

Release delayed!

Due to organizational matters the release of the NAILED! album will be delayed for a few days.

In coordination with our label and the distributors we decided to set the official release date to June/3/2011.

However the promotional activities have just been initiated.

For a promotional copy of the album or promotion material regarding the purposes of reviews or airplay you may register at

[www.connecting-music.eu /node/5](http://www.connecting-music.eu/node/5)

and visit the download area.
