

Holidays are over!

Wednesday, 28 September 2011 13:49 -

Hi Folks,

holidays are over and everybody is back. So you will be hearing some news from us in a short while. At the moment we are busy with packing and shipping CDs for our online-customers.

Soon we will begin to schedule some dates in our recording studio to lay down some tracks for a new album. Most of our friends criticize the long time between our emissions. So we are planning to start over soon.
